

REMARKS

In response to the final office action, Applicant submits formal drawings. FIG.1 has been corrected to include reference numeral "15". No new matter is introduced.

Applicant is puzzled by the objection to the abstract. The Examiner appears to be proposing that a semi-colon be changed to a period. However, to do so would result in a grammatical error. Applicant submits that the abstract is properly punctuated.

Applicant requests entry of the foregoing amendments to place this application in condition for allowance.

Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,
